

All contributions are tax deductible (tax ID #01-0921220) and help us maintain vital educational programs, equipment and supplies, as well as helping us to assist students who are under-privileged or in crisis.

- **Classrooms:** Bridge the gap in funding to cover basic supplies, repairs and updates.
- **Low income Students:** Make sure all students can participate equally in all activities.
- **Sunshine Fund:** Allow us to continue to reach out to Bellview families in crisis. Help us bring hope in cases of catastrophic illness, death and tragedies like the Oak Knoll fires.
- **Giving Tree and Winter Care Boxes:** Every holiday season Bellview families donate food and gifts for needy classmates. In 2008 we gifted to 43 children. This year, we served 74 children. The PTO now covers what is not donated. Help us meet this growing need.
- **Literacy and Math:** Help fund the Accelerated Reader Program and IXL comprehensive math practice program - computer programs that get kids excited about reading and math. You also fund the Battle of the Books and buy books for the library and for low-income students.
- **Playground and Garden:** Replenish basic playground equipment like footballs, wall balls, jump ropes and soccer goals. Past benefit proceeds helped to create Bellview's Learning Garden and improved the track to be safer and more usable and in all weather.
- **Art, Music, Science, History:** Your generosity also supports a variety of assemblies and hands on projects for every child. The PTO has funded visits from OMSI, Science Works, the Pioneer Experience as well as various musicians and artists. Students now have a comprehensive art curriculum and have always created their own art for the auction.
